SANITISING

Digital Hand Sanitising Station

*Instantly
Updatable Digital
Signage With
Auto Sanitising*

Ensure visitors and staff are kept informed about vital information such as safety, queuing, opening times or your social distancing policies while on your premises with the instantly updateable Digital Hand Sanitising Station.

The robust steel enclosed free-standing and wall mounted 22" Android Digital Screen with Automatic Hand Sanitiser Dispenser is WIFI enabled and comes with one year's free CMS licence to manage the content online in seconds. Content can also be plug and play loaded via a standard USB. Sanitiser reservoirs can be refilled from our optional five litre sanitiser refills available.

Ideal for :

- Department and Independent Stores
- Gyms and Recreational Spaces
- Educational Institutions
- Car Garages and Forecourts
- Hospitals, GP Sugeries and Pharmacies

*Two Contactless
Solutions -
Free-standing Or
Wall-mounted*

DIGITAL SCREENS

Outdoor Battery A-Board

Easy to use and quick to deploy Outdoor Battery Aboard, just load your message and wheel out to your desired location.

Battery lasts for 12 hours and the screen resolution is easily readable in bright sunlight.

Ideal for using for social distancing to warn people of queueing times, where sanitiser stations are, the 2m social distancing rules, or one way routes being implemented to keep staff and customers or visitors safe.

Screen enclosures are waterproof and screens also come with a charge level indicator so you can tell when you need to recharge, ideal for changing situations and locations where messages need to be deployed quickly for safety
